

Root Insurance Launches Wyoming Car Insurance, Expanding National Coverage to 38 States

October 21, 2026

Wyoming drivers can now purchase Root car insurance in minutes as the technology company continues its expansion across the United States

COLUMBUS, Ohio, Oct. 21, 2026 (GLOBE NEWSWIRE) -- Root, Inc. (NASDAQ: ROOT), the leading technology company in car insurance, today announced that Root Insurance is now available in Wyoming, expanding its auto insurance availability to 38 states representing 81% of the U.S. population. The launch of Root Insurance in Wyoming advances the company toward its goal of providing coverage across the contiguous United States by the end of 2027.

Wyoming drivers can now get a Root car insurance quote, customize their coverage, and purchase a policy in just minutes, and manage their policy directly in the Root app. Root uses technology and data science to more precisely understand and price risk while creating a simple, digital insurance experience for customers.

"Launching in Wyoming brings us another step closer to making Root available to drivers across the country," said [Alex Timm, Root Founder and CEO](#). "We've built a technology and data science platform that allows us to enter new markets efficiently and give more consumers access to a personalized, easy insurance experience. Wyoming drivers can now get a quote and purchase coverage whenever they're ready, making it possible to get insured and on the road the same day. We're excited to bring that experience to more drivers as we continue expanding nationwide."

Root Inc, Forward-Looking Statements

This press release contains forward-looking statements within the meaning of federal securities laws regarding Root, Inc. These forward-looking statements relate to, among other things, expectations about our future business results, the success of our business in Wyoming, and our ability to complete our expansion into the contiguous U.S. by year-end 2027. Such forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties, and other factors, some of which are beyond the company's control and are difficult to predict. We have based our forward-looking statements on our current expectations, estimates, and projections about our industry and our company. We caution that these statements are not guarantees of future performance and you should not rely unduly on them, as they involve risks, uncertainties, and assumptions that we cannot predict. Accordingly, our actual results may differ materially from the future performance that we have expressed or forecast. In accordance with "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, we have included in Root's Form 10-K for the year ended Dec. 31, 2025, and other SEC filings, cautionary language identifying important factors that could cause future outcomes to differ materially from those set forth in the forward-looking statements. Copies of Root's Form 10-K and other SEC filings are available on the SEC's website, Root's website at [ir.joinroot.com/investor-relations](#), or by contacting Root's Investor Relations office.
