

Root, Inc. to Host Video Webcast for Investors: A Deeper Dive into the Data Science Expertise at Root Insurance with JMP Securities

December 14, 2020

COLUMBUS, Ohio, Dec. 14, 2020 (GLOBE NEWSWIRE) -- Root, Inc. (NASDAQ: ROOT), the parent company of Root Insurance Company, today announced that Dan Rosenthal, Chief Financial Officer, and Dr. Matt Bonakdarpour, VP of Data Science, will co-host a video webcast along with JMP Securities, "A Deeper Dive into the Data Science Expertise at Root Insurance," on Thursday December 17, 2020 at 12:00 p.m. eastern time.

To watch and listen to the live webcast, please visit the Events section of Root's Investor Relations website at ir.joinroot.com. A replay will be archived on the same website following the call.

Matt Bonakdarpour leads the Data Science team at Root. Prior to Root, he was a Quantitative Researcher at Citadel LLC, working in the areas of high frequency trading and statistical arbitrage. Matt holds a BS in Computer Science from Carnegie Mellon University, and a PhD in Statistics from The University of Chicago.
